

THE ADVENTURE CONTINUES

GEWURZTRAMINER 2022

CRESTON – KOOTENAYS, BC VQA

VINEYARD

Single vineyard estate grown at an elevation of 650 m. We have three parcels of Gewurztraminer grown on the dry hillside of our vineyards, producing a complexity of flavours. The late fall of the 2022 growing season resulted in full flavours developing in the fruit.

VINIFICATION

Hand harvested fruit was destemmed, crushed and left for one day of skin contact before being pressed off, cold settled and fermented in a single batch. Fermentation took place in a stainless-steel tank and was kept at a cool temperature to retain the primary fruit profile of the wine.

SENSORY

An expressive wine with typical varietal aromatics of pineapple, rose petal and lychee. The palate is off-dry with complex notes of Turkish delight, ginger and exotic spice.
